CHAPTER V

CONCLUSION AND SUGGESTION

A. The Conclusion

This research was conducted to find out whether or not there is a significant correlation between watching English movie and their listening comprehension. Based on what had been discussed, presented, and analyzed in the previous chapter, the researcher concludes that:

1. The students' watching English movie at the tenth grade of SMA Tri Bhakti Pekanbaru categorized into good level.
2. The students' listening comprehension at the tenth grade of SMA Tri Bhakti Pekanbaru categorized into good level.
3. There is a significant correlation between watching English movie and their listening frequency at the tenth grade of SMA Tri Bhakti Pekanbaru.

B. The Suggestion

Seeing all the explanation and the conclusion above, the researcher intends to give some suggestion related to English teaching learning as well as the future studies. The suggestion is as follows:

1. For the teacher
 - a. The teacher may use any kind of English video or film as the media for teaching listening.
 - b. The teacher should encourage their students' interest to listen more English every day.

2. Dilarang mengumumkan dan memperbanyak sebagian atau seluruh karya tulis ini dalam bentuk apapun tanpa izin UIN Suska Riau.

- c. During listening activity, teacher should help their students who have difficulties on the process.
 - d. Teacher can encourage students' awareness on the importance of listening for their language learning.
2. For the students
 - a. By having a frequency in watching English movie, students are expected to be able to improve their listening comprehension.
 - b. The more students know and understand about the importance of always listening to English, such as watching English movie or other media, the more improvement of their listening will be.
 3. For the future researcher
 - a. The future researchers are expected to conduct research about watching English movie and listening comprehension by using a larger group of students or sample in order to get maximal results.
 - b. A new study about watching English movie and listening comprehension should be conducted by using new form of instruments in order to find out the correlation between watching English movie and their listening comprehension.
