B. Suggestion

From the conclusion of the research above, it is known that Gallery Walk strategy has a significant effect on students' reading comprehension in teaching reading especially on the narrative text. Then, it is better to apply this strategy in order to improve students' reading comprehension. Then, the researcher would like to give some suggestions as follows:

1. Suggestion for The Teacher

- a. The teachers have to know the various methods in learning and teaching in order to choose the suitable method for suitable materials in the classroom
- b. The teacher should give opportunities to the students to express their ideas or opinion because it makes the students have high comprehension about the material given
- c. The teacher should have an ability to guide and construct the creative learning for the students and encourages students' awareness about the importance of reading for their life.

2. Suggestion for The Students

- a. The students have to read more reading texts in order to have more knowledge
- b. The students should being an active student and pay more attention to the lesson that has been explained by the teacher.
- c. The students should express their ideas and opinion about the text that they read in order to improve their reading comprehension
