### 1. Suggestion for the teacher

A teacher is one of the important educational components in selecting instructional material and choosing strategies in teaching and learning process. An English teacher should motivate the students to learn English, especially in teaching them to translate English sentence.

### 2. Suggestion for the students

It is suggestion for all the English students to improve their adjective order and translation:

- a. You should write the new word in a note book
- b. You should know the strategies for mastering adjective order.
- c. You should keep in your mind adjective order as many as possible
- d. You should practice English everyday
- e. You should practice translate the sentence
- f. You should always practice to translate sentence including adjective order

For the suggestion above, it can improve the students' adjective order mastery and their translation skill that the students have the more easily they understand the English text.
