B. Suggestion

After carrying out the research, it seems very crucial for the research to give suggestion related to the research finding to the English teacher or students in order that they are successful in the teaching and learning English, especially for the speaking as one of the English productive skills, and by understanding the emotional intelligence will be easy in learning English especially speaking ability. Therefore, it seems very important for researcher to give some suggestion to the teachers and students.

1. Suggestion for the teacher

- a. The teachers have an important role in teaching, which is expected to be more helpful in improving the students' speaking ability.
- b. The teacher should give motivation and attention to encourage the students' interest in speaking course as one of the language skills.

2. The suggestion for the students

- a. The students have to more practice their speaking.
- b. The students should improve and increase their emotional intelligence
