productive skills, and by understanding the writing motivation will be easy for the students in learning English especially learning writing. Therefore, it seems very important for the researcher to give some suggestions to the teachers and students.

1. Suggestions for the teacher

- a. The teachers have an important role in teaching, which is expected to be more helpful in improving the students' writing ability.
- b. The teacher should give motivation and attention to encourage the students' writing motivation like more giving an interesting topic in writing activities, making fun writing activities, giving games related to writing, etc.

2. The suggestion for the students

- a. The students have to more practice their writing not only in the classroom but also outside.
- b. The students should improve and increase their writing motivation.
