## **B. Suggestion**

Considering the difference between male and female students' understanding of subject-verb agreement, the writer would like to give some suggestions as follows:

### **1. The Suggestion for the Teacher**

- a. The teachers should pay attention to the both of the gender of the students; male and female students, because they have different intelligence and different way in receiving the knowledge from the teacher. It means that the teachers should determine appropriate strategies for both students in improving their ability in understanding subject-verb agreement.
- b. The teachers should give more motivation to male students related to understanding subject-verb agreement and English.

### **2. The Suggestion for the Students**

- a. Both male and female students should read scientific passages included subject-verb agreement as habitual activity in order to improve their English grammar.
- b. Both male and female students should increase their knowledge about subject-verb agreement and their English grammar.

### **3. The Suggestion for Other Researchers**

- a. These findings are expected to be a reference for further researcher that concern on understanding subject-verb agreement and students' gender.
