This research is field research (*Field Research*). And the location of research is Village Unit Cooperative (KUD) Kampar Kec. Kampar Timur Kab. Kampar Address Jl. Raya Pekanbaru Bangkinang Km 39. Data collecting method used in the framework of writing this thesis is a questionnaire, interviews, documentation, and literature study. While the purpose of research to determine the role of Kampar KUD in improving the welfare of oil palm farmers, the efforts made Kampud KUD in improving the welfare of oil palm farmers. And how the Islamic economic view on the role of Kampar KUD in improving the welfare of oil palm farmers.

After analyzed it can be concluded that Kampar KUD is quite helpful in improving the welfare of the oil palm farmers such as: Training Provision, saving and loan, increasing the yield of FFB, opening up employment. Efforts made by KUD Kampar in improving farmers' welfare are: providing saving and loan services, provision of transport units, provision of fertilizers, social assistance, and security systems. Cooperative in Islam is called syirkah which means also musyarakah namely cooperation between capital owners who mix their capital with the goals and expectations dikelola well and seek profit. And syirkah also means ikhtilah (mixing). The fuqaha defines this shirk as a contract between the people who are union in the capital and profits, after it is known to be in the form of syirkah it is understandable that this syirkah merupakan a form of cooperation between two or more people. According to the Islamic economic perspective KUD Kampar has not implemented the Islamic Shari'a, because Kampar KUD still contains elements of usury. Dikarenkan Kampar KUD is not a body organization that is sharia but Conventional.
