

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

This research was conducted to find out whether there is a significant difference between Male and Female students on vocabulary mastery in descriptive text. Therefore, the researcher can conclude this research as follows:

1. The Male students' vocabulary mastery in descriptive text at the tenth grade of Islamic Senior High School 2 Bengkalis is categorized into '**Less**' level at score 47.
2. The Female students' vocabulary mastery in descriptive text at the tenth grade of Islamic Senior High School 2 Bengkalis is categorized into '**Enough**' level at score 57.
3. There is a significant difference between Male and Female students' vocabulary mastery in descriptive text at the tenth grade of Islamic Senior High School 2 Bengkalis.

Based on the result of the research, the female students' vocabulary mastery was better than male students. It means that there is a significant difference between Male and Female students' vocabulary mastery in descriptive text.

B. Suggestion

Considering the difference between Male and Female students' vocabulary mastery on descriptive text, the researcher would like to give some suggestions as follows:

1. The suggestion for the Teacher

- a. The teachers should pay attention to the both gender of the students; Male and Female, because they have different intelligence and different way in receiving the knowledge from the teacher. It means that the teachers should determine appropriate strategies while teaching them.
- b. The teachers should give more motivation to male students related to vocabulary mastery.
- c. The teachers should have more ways to create the classroom when in learning. And also the teacher should know the ability between male and female students.

2. The Suggestion for the Students

- a. Both Female and Male students should be able to improve their vocabulary mastery by reading English book more.
- b. Both Female and Male students should increase their knowledge about vocabulary in descriptive text.
- c. Both of female and male students should know what is noun, verb, adjective and adverb in descriptive text
