### **Noer Azlina Octavia (2019) : Pelaksanaan Fungsi Konselor Dalam Proses Mediasi Di Pengadilan Agama Bangkinang Kelas 1B**

Penelitian ini penulis lakukan di Pengadilan Agama Bangkinang Kelas 1B, Penulis melakukan penelitian ini untuk mengetahui Bagaimana Pelaksanaan Fungsi Konselor Dalam Proses Mediasi di Pengadilan Agama Bangkinang Kelas 1B. Dalam penelitian ini penulis menetapkan beberapa narasumber yang penulis jadikan sebagai informan yaitu Dua Mediator. Dalam melakukan analisis data penulis menggunakan Metode Deskriptif Kualitatif. Berdasarkan penelitian yang telah dilakukan dapat dikatakan bahwa Fungsi Konselor dalam Mediasi di Pengadilan Agama Bangkinang Kelas 1B sama dengan fungsi konselor Tohirin akan tetapi di Pengadilan hanya empat fungsi sedangkan Tohirin Sembilan fungsi. Dalam proses mediasi dari bulan satu sampai bulan tiga tahun dua ribu Sembilan belas tiga puluh Sembilan yang dimediasi, bulan satu sama bulan dua sama-sama lima belas yang akan dimediasi akan tetapi dibulan satu empat yang berhasil dan bulan dua meningkat dua yang berhasil dan dibulan tiga Sembilan pasangan suami istri yang akan dimediasi tiga yang berhasil. Walaupun mediator tidak pakar akan tetapi grafik berhasil dimediasi meningkat pada bulan dua. Untuk jadwal mediasi dilakukan tiga kali seminggu.

## **ABSTRACT**

### **Noer Azlina Octavia (2019) : The Implementation of Counselor Function in Mediation Process in Religious Court of Bangkinang Class 1B**

This research was done in Religious Court of Bangkinang Class 1B. The researcher aims to know The Implementation of Counselor Function in Mediation Process in Religious Court of Bangkinang Class 1B. The researcher selects two mediators as informants. Data are analyzed using qualitative descriptive method. This thesis finds that The Implementation of Counselor Function in Mediation Process in Religious Court of Bangkinang Class 1B is same as Tohirin's counselor but in the court there are four functions implemented. However, there are nine counselor functions. From January to March 2019, 39 people were mediated. In January and February 30 people were mediated but in January, four people were successfully mediated and in February two more people were successfully mediated. In March, from 9 people mediated, 3 of them were successfully mediated. Although the mediators were not expert, there was increasing successful mediation in February. The mediation is done three times in a week.
