Dear Mr. mahyarni:

It is a pleasure to accept your manuscript entitled "The Investigation of the Effects of Spiritual Values and Behaviors on Business Development and Performance of Muslim Preneurship" in its current form for publication in International Journal of Law and Management. The comments of the reviewer(s) who reviewed your manuscript are included at the foot of this letter.

By publishing in this journal, your work will benefit from Emerald EarlyCite. This is a pre-publication service which allows your paper to be published online earlier, and so read by users and, potentially, cited earlier.

Please go to your Author Centre at <https://mc.manuscriptcentral.com/ijlma> (Manuscripts with Decisions for the submitting author or Manuscripts I have co-authored for all listed co-authors) to complete the copyright assignment form.

We cannot publish your paper without this. All authors are requested to complete the form and to input their full contact details. If any of the contact information is incorrect you can update it by clicking on your name at the top right of the screen. Please note that this must be done prior to you submitting your copyright form. If you would like more information about Emerald's copyright policy, please visit the Information & Forms section in your Author Centre.

If you have an ORCID please check your account details to ensure that your ORCID is validated.

FOR OPEN ACCESS AUTHORS: Please note if you have indicated that you would like to publish your article as Open Access via Emerald's Gold Open Access route, you are required to complete a Creative Commons Attribution Licence - CCBY 4.0 (in place of the standard copyright assignment form referenced above). You will receive a follow up email within the next 30 days with a link to the CCBY licence and information regarding payment of the Article Processing Charge. If you have indicated that you might be eligible for a prepaid APC voucher, you will also be informed at this point if a voucher is available to you (for more information on APC vouchers please see <http://www.emeraldpublishing.com/oapartnerships>)

Thank you for your contribution. On behalf of the Editors of International Journal of Law and Management, we look forward to your continued contributions to the Journal.

Sincerely,  
Prof. Christopher Gale  
Editor, International Journal of Law and Management

Additional Questions:

<b>1. Originality: </b> Does the paper contain new and significant information adequate to justify publication?: Good, very clear, but need additional original for this paper.

<b>2. Relationship to Literature: </b> Does the paper demonstrate an adequate understanding of the relevant literature in the field and cite an appropriate range of literature sources? Is any significant work ignored?: GOod, and very clear

<b>3. Methodology: </b>Is the paper's argument built on an appropriate base of theory, concepts, or other ideas? Has the research or equivalent intellectual work on which the paper is based been well designed? Are the methods employed appropriate?: GOod, and very clear

<b>4. Results: </b>Are results presented clearly and analysed appropriately? Do the conclusions adequately tie together the other elements of the paper?: GOod, and very clear, but need to investigate the validity and reliability of the instrument

<b>5. Implications for research, practice and/or society: </b>Does the paper identify clearly any implications for research, practice and/or society? Does the paper bridge the gap between theory and practice? How can the research be used in practice (economic and commercial impact), in teaching, to influence public policy, in research (contributing to the body of knowledge)? What is the impact upon society (influencing public attitudes, affecting quality of life)? Are these implications consistent with the findings and conclusions of the paper?: Very good

<b>6. Quality of Communication: </b> Does the paper clearly express its case, measured against the technical language of the field and the expected knowledge of the journal's readership? Has attention been paid to the clarity of expression and readability, such as sentence structure, jargon use, acronyms, etc.: Very good
