**B. Suggestion**

Considering the difference between introvert and extrovert students on their writing ability, the writer would like to give some suggestion. For the teacher, the writer suggests to consider the different type of students' personality; introvert and extrovert, because they will have different way in receiving the knowledge from the teacher. Moreover, the teacher should not only focus to the extrovert which is active in discussion but also to the introvert students. For the students, both introvert and extrovert, you have the similar opportunity to master English. For introvert students, you may be unconfident to speak and give your opinion in discussion but you must be confident because you will master other skills. For extrovert students, you must pay more attention in writing.
