1. Suggestion for the teacher

A teacher is one of the important educational components in selecting instructional material and choosing strategies in teaching and learning process. An English teacher should motivate the students to learn English, especially in teaching them to read in English.

2. Suggestion for the students

It is suggestion for all the English students to improve their vocabulary and reading comprehension:

- a. The students should write the new word in a note book
- b. The students should always read the text in science topic
- c. The students should know the strategies for mastering english vocabulary
- d. The students should keep in your mind vocabulary as many as possible
- e. The students should bring pocket dictionary
- f. The students should practice english everyday
- g. The students should speak new english word repeatedly
- h. The students should always listen to English music over and over

For the suggestion above, it can improve the students' reading comprehension of analytical exposition text, the more vocabulary that the students have the more easily they understand the english reading text.
