using letter game as media in teaching-learning English. Besides, teacher should also use many ways to encourage students in speaking ability;

1. Teachers should use letter game creatively in order to improve students' speaking ability.
2. Teachers should be able to attract students' attention by using interesting letter game, so that they have a new motivation in studying speaking.
3. Teachers should support their conventional techniques by using interesting media such as letter.
4. Teachers can encourage students' awareness about the importance of speaking skill.
5. Teacher makes speaking as habitual activities for students in the school.

Besides that, the students should keep practicing English all the time whether in the class or outside. Then, students also should increase their vocabulary in order to help them in speaking English. In addition, Islamic Junior High School Al-Muttaqin Pekanbaru should keep establishing the programs that have been done especially for the English lesson such as publishing articles, poems, extra class for English lesson, and speech contest.
