CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

Based on the research finding that was explained in chapter IV, finally the writer would like to conclude the research as follows:

1. The tenth grade students of Vocational High School Ibnu Taimiyah taught by using Bottom-up Technique in listening had better comprehension than those taught without using bottom up technique.
2. Using Bottom-up Technique in teaching listening gave large effect to students' listening comprehension.

In conclusion, teaching listening by implementing Bottom-up Technique gave significant effect to the students' listening comprehension in dialogue text of the tenth grade at Vocational High School Ibnu Taimiyah Pekanbaru.

B. Suggestion

Teaching listening by using bottom-up technique can improve students' listening comprehension. Based on the research findings, the writer proposes some suggestions as follows:

1. The writer suggests the English teachers to use bottom-up technique as one of the alternatives in teaching listening.
2. The writer suggests the next researcher to explore other factors that can improve listening comprehension.
