B. Suggestion

Based on the research findings, it is theoretically and empirically clear that Student Team Achievement Division (STAD) Method is very useful in improving students' speaking skill. The researcher would like to give some suggestion as follows:

1. Suggestion for Teacher
 - a. Creating enjoyable teaching and learning in order to make students feel interested and not bored during the class that should be developed by English teacher, for example, by using Student Teams Achievement Division (STAD) Method.
 - b. Giving media in teaching will help the students in understanding English well to improve their English, especially for their speaking skill.
 - c. Keep the class speaking English by ignoring the false for the beginner.
2. Suggestion for Students
 - a. The students should study hard in learning by giving attention to the teachers' explanation.
 - b. Try to always speak English in any situation.
 - c. Do not be afraid of the laughing from friends.
3. Suggestion for the Other Researcher

Finding new appropriate strategy, method or media is one of the good ways in doing research for helping students in mastering English.
