B. Suggestion

Regarding the conclusion stated previously, the researcher would like to propose several suggestions, as follows:

1. It is suggested for students to be aware of vocabulary knowledge, because vocabulary knowledge is an important thing, not only on writing but also on other language skills in language learning.
2. For the English teacher, the researcher recommend to also concern on students' awareness of vocabulary knowledge. Teacher has to give more attention and motivate the students to upgrade their vocabulary. The teachers should also give the input about students' work so they would know their weakness in writing text
3. For further research, they are expected to conduct a research that is similar type that should be done with greater population in order to gain a wider generalization.
