CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

This research was conducted to find out whether there is a significant effect of using KWL Strategy on students' reading comprehension or not. Based on the data analysis and research finding in chapter IV, the effect of using KWL Strategy on students' reading comprehension of recount text at SMPN 2 Bagan sinembah in Rokan Hilir Regency was success.

The result of Students' reading comprehension of recount text taught without using KWL Strategy is classified into **enough level**, because the mean score of the students was 60.66. Students' reading comprehension of Recount text taught by using KWL Strategy is classified into **very good level**, because the mean score of the students was 78.26. There was a significant difference of using KWL strategy on students' reading comprehension where the (sig.2 tailed) was $0.00 > 0.05$, it means that H_0 was accepted, and the last, there was large the magnitude effect of teaching English on students' reading comprehension of Recount text at the Eighth Grade of State Junior High School 2 Bagan Sinembah Rokan Hilir. It could be seen from the result of Eta Squared formula was 0.419. So, it indicated that there was a magnitude effect of teaching English using

KWL Strategy on students' reading comprehension of Recount text at the Eight Grade of State Junior High School 2 Bagan Sinembah.

In conclusion, teaching reading by implementing KWL Strategy at SMPN 2 Bagan sinembah in Rokan Hilir Regency had positive effect. In other words, it is successful.

B. Suggestion

Based on the research finding, the researcher would like to give some suggestion:

1. Suggestion for the teacher:
 - a. It is recommended to teacher to use KWL Strategy in teaching and learning process. Because KWL strategy can be one of the choices to help students in reading comprehension of recount text.
 - b. In effort to increase students' reading comprehension, the teacher must be creative to choose the strategy in learning process specially in reading comprehension. Based on the research finding, there was a significant effect of using KWL strategy on students' reading comprehension of recount text at the eight grade of SMPN 2 Bagan Sinembah. Thus, the teacher can apply this strategy in teaching reading comprehension.
2. Suggestion for the students:
 - a. The students should try to understand the use of KWL Strategy in reading comprehension.

Hak Cipta Diindungi Undang-Undang

1. Dilarang mengutip sebagian atau seluruh karya tulis ini tanpa mencantumkan dan menyebutkan sumber:

- a. Pengutipan hanya untuk kepentingan pendidikan, penelitian, penulisan karya ilmiah, penyusunan laporan, penulisan kritik atau tinjauan suatu masalah.
- b. Pengutipan tidak merugikan kepentingan yang wajar UIN Suska Riau.

2. Dilarang mengumumkan dan memperbanyak sebagian atau seluruh karya tulis ini dalam bentuk apapun tanpa izin UIN Suska Riau.

- b. The students should pay more attention to the lesson explained by the teacher in learning process. Furthermore, students may use KWL strategy as means for practicing their reading skill in order to increase their reading comprehension.
 - c. The students should have discussion and share information with their friends about KWL strategy to improve their reading comprehension.
3. Suggestion for other researchers
- a. This research is the one of the ways to improve students' reading comprehension. It is expected that the findings of this research will be used as starting points to conduct other research.
 - b. There are many other Strategies to make teaching and learning process more effective and interesting. It is expected to find new strategies, methods, techniques, and approaches.

Finally, the researcher considers that this study still needs validation from the next researcher that has the same topic as this research.
