## CHAPTER V

### CONCLUSION AND SUGGESTION

#### A. The Conclusion

Based on the data analysis explained in chapter IV, finally, the writer would like to depict the conclusions as follows:

1. To find out students' reading comprehension who are taught by using Printed Mass Media Strategy at the eleventh grade of Senior High School 1 Pasir Penyau Indragiri Hulu Regency, it was obtained that (71.88%) of the students got score 67 – 79 in post-test of experimental class. It is concluded that the students' reading comprehension is in Good category.
2. To find out the students' reading comprehension who are taught without using Printed Mass Media Strategy at the eleventh grade of Senior High School 1 Pasir Penyau Indragiri Hulu Regency, it was obtained that (50%) of the students got score 56 – 65 in post-test of control class. It is concluded that the students' reading comprehension is in Enough category.
3. From the analysis of Independent sample T-test formula, it was found that  $t_0$  was 4.623. It was higher than t-table either in significance level of 5%= 2.00 or in significance level of 1%= 2.66. So, the writer found that  $2.00 < 4.623 > 2.66$ . It is concluded that Alternative hypothesis ( $H_a$ ) is accepted and null Hypothesis ( $H_0$ ) is rejected. In other words, there

is a significant effect of using Printed Mass Media Strategy on students' reading comprehension of narrative text at the eleventh grade of Senior High School 1 Pasir Penyu Indragiri Hulu Regency.

## **B. The Suggestion**

After finding the result of the effect of using of using Printed Mass Media Strategy on students' reading comprehension of narrative text at the eleventh grade of Senior High School 1 Pasir Penyu Indragiri Hulu Regency, the researcher would like to give some suggestion to the teacher and the other researchers:

### **1. Suggestion for The Teacher of English**

The teacher can use Printed Mass Media Strategy as one of the alternative strategies in teaching and learning process especially in teaching reading comprehension of narrative text. Because, the advantages of Printed Mass Media Strategy are not only to improve students' reading comprehension, but also to increase students' critical thinking. Besides, it will be much better to the teacher to enrich their experience in teaching by using several variations of strategy to be taught to the students.

### **2. Suggestion for The Next Researcher**

This research is one of the ways to improve the students' reading comprehension. There are many methods, strategies, techniques, and approaches that can be found and can be used to improve students'

reading comprehension. So, the researchers are expected to find another way to support and improve learning activity.

In conclusion, the writer needs a validation from the next researcher that have same topic. It means that Printed Mass Media Strategy can be used in the other school to know the effect in teaching reading. Also, this research can be used as the relevant research for next research.
