B. Suggestion

From the conclusion of the research above, it is known that Double Entry Journal technique has a significant effect on students' reading comprehension in teaching reading especially in the analytical exposition text. Then, it is better to apply this technique in order to improve students' understanding about the material given. Then, the writer would like to give some suggestion as follows:

1. Suggestion for The Teacher

- a. The teacher should be creative in selecting the strategy and technique that can be used in English teaching in order to make the students interested in learning English.
- b. The writer suggests the English teacher to apply the Double Entry Journal technique in teaching and learning process because this technique will improve the students' competence in English especially in reading comprehension.
- c. The teacher should give opportunities to the students to express their ideas or opinion because it makes the students have high comprehension about the material given

2. Suggestion for The Students

- a. The students should be active and pay more attention to the lesson that has been explained by the teacher.
- b. The students should express their ideas and opinion about the text that they read in order to improve their reading comprehension
