2. The English teachers

The use of board game helps the teacher to find another way to teach a text and will trigger them to have inspiration in improving their teaching methods so that they can direct the students' attention and finally improve the students' achievements in their writing ability of the material that they taught. So, the teachers must be able to create their own way to arise their students' interest in the lesson especially in writing recount text.

3. The next writer

Finally, it is hoped that the result of this research will be useful for readers. This research also can be one of the references for the next researchers who want to conduct deeper research by using all various kinds of media include board game. They are also expected to be able to cover the limitation in this study and provide more detailed information about this study.
