

DAFTAR PUSTAKA

- André Rodrigues Batista, Telmo (2008), “*Capacity Increase in UMTS/HSPA+ Through the Use of MIMO Systems*”, Dissertation of Master in Electrical and Computer Engineering, Instituto Superior Tecnico.
- Bao, Wei and Liang, Ben (2013), “*Uplink Interference Analysis for Two-tier Cellular Networks with Diverse Users under Random Spatial Patterns*”, *Proc. of IEEE/CIC International Conference on Communications in China (ICCC)*, Xi’an, China, Dec. 2013.
- B. Baltis, Konstantinos (2011), “*Hexagonal vs Circular Cell Shape: A Comparative Analysis and Evaluation of the Two Popular Modeling Approximations*”, Aristotle University of Thessaloniki, Greece Wieser, Vladimir dan Hrudkay, Karol (2002), “*Mutual Interference Models CDMA for Communication Networks*” , Dept. of Telecommunication University of Zilina.
- Budianto, Bambang (2009), “*Analisis Pengaruh Interferensi Terhadap Kapasitas Sel Pada Sistem WCDMA*”, Universitas Indonesia.
- Ericsson AB (2007), “*Basic Concept of HSPA*”, White Paper.
- Goldsack, Pete (2009), “*HSUPA Overview*”, Agilent Technologies.
- Gunnarsson, Fredrik (2007) dan Martin N Johansson, Anders Furuskar, Magnus Lundevall, Arne Simonsson, Claes Tidestav, Mats Blomgren, “*Downtilted Base Station Antenna – A Simulation Model Proposal and Impact On HSPA and LTE Performance*”, Ericsson Research, Ericsson AB, Sweden.
- Jain, Raj (2007), “*Channel Models A Tutorial*”.
- Kishore, Shaline (2003), “*Capacity And Coverage in Two-Tier Cellular CDMA Networks*”, Department of Electrical Engineering, Princeton University, Princeton,
- Mulwinda, Anggraini (2010), “*Evolusi Global HSPA*”, Jurusan Teknik Elektro, Universitas Negeri Semarang.
- Prokkola, Jarmo dan H. J Perala, Pekka (2009), “*3G/HSPA Performance in Live Network from The End User Perspective*”, Converging Networks Laboratory, VTT Technical Research Centre of Finland.
- Qualcomm (2007), “*Aspect of HSUPA Network Planning*”, Qualcomm Incorporated, San Diego, USA.

Research, Rysavy (2010), “*Transition to 4G: 3GPP Broadband Evolution to IMT –Advance*”, Rysavy Research 3G”, America.

Setiawan, Doni (2010), “*Overview of Spectrum Issues in Indonesia*”, Departemen Komunikasi dan Informatika.

Sobral Oliveira Obtista, Pedro (2007), “*Impact of HSUPA Implimentation On UMTS Capacity and Cell Coverage*”, Dissertation of Master in Electrical and Computer Engineering, Instituto Superior Tecnico.
