

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

There are three conclusions of this research referred to the research finding and the formulation of the research. they are as follows:

1. The students' reading comprehension that is taught without using Four Step Summary strategy at the second year of SMAN 1 Tualang is categorized into enough level.
2. The students' reading comprehension that is taught by using Four Step Summary strategy at the second year of SMAN 1 Tualang is categorized into good level.
3. After conducting the research, the researcher found that there is a significant effect of using Four Step Summary toward the students' reading comprehension at the second year of SMAN 1 Tualang.

B. Suggestion

Based on research finding about the effect of using Four Step Summary strategy toward reading comprehension on analytical exposition text, the researcher would like to give some suggestions as follows:

1. Suggestion for the teacher:
 - a. It is recommended to teacher to use Four Step Summary strategy in teaching and learning process as the one of the alternative reading comprehension strategies.
 - b. The teacher should support this strategy by using interesting reading text.
2. Suggestion for the students:
 - a. The students should be able to apply Four Step Summary strategy in reading text.
 - b. The students should be creative to practice this strategy in order to comprehend the text more and in order to diminish boring in learning English especially in reading subject.

Finally, the researcher considers that this research still needs validation from the next researcher who has the same topic as this research.
