

## CHAPTER V

### CONCLUSION AND SUGGESTION

#### A. CONCLUSION

Based on the data analysis explained at the chapter IV, finally, the research about the effect of using Wrap Up Strategy Toward Reading Comprehension of the Second year Students at SMP N 3 Kempas Indragiri Hilir Regency is concluded as follows:

1. Mean of students' ability in reading comprehension before being taught by using Wrap Up strategy is 63.50. The students who pass the graduated standard (SKL) is 19 (63.3%).
2. Mean of students' ability in reading comprehension after being taught by using Wrap Up strategy is 75.00. The students who pass graduated standard (SKL) is 30 (100%).
3. From analysis of T-test formula. It can be seen that  $t_{\text{observed}}$  obtained is higher than  $t_{\text{table}}$ , either at the level 5% or 1%. In other words, we can read  $2.00 < 3.330 > 2.65$ . It can be concluded that  $H_0$  is rejected and  $H_a$  is accepted. It means that there is significant effect Wrap Up strategy and Conventional Strategy on student's reading comprehension at the second year Student's of SMPN 3 Kempas Indragiri Hilir Regency.

#### B. SUGGESTION

Based on the conclusion that the writer obtained from this research, it is known that using Wrap Up Strategy to improve students' reading comprehension gives significant effect. It means that the students are not

reluctant or awkward to verbalize their ideas in communication because they have been accustomed to reading out their ideas. Therefore, the writer suggests the teacher to use this strategy to improve students' reading ability.

### **1. Suggestion for Teacher**

The researcher expects English teacher to choose the suitable strategy in teaching learning process, in order to make the students feel interested and unbored to study English based on teaching experience of writer in this research

- a. Since the writer used of on the Wrap Up in teaching English, she has found that there is a significant contribution in her teaching, especially for the students' attention that focuses more on her studying, and also the students' interest in studying English. So hopefully, English teachers always keep using different method in teaching and learning process.
- b. The teachers are suggested to raise the students' interest in studying English and make them easy to understand about the lessons given.

### **2. Suggestion for Students**

- a. The students should try to understand the use of Wrap Up Strategy in reading texts
- b. The students must be creative to select kinds of reading in order to comprehend the text well and diminish boredom in learning English
