

CHAPTER V

CONCLUSION AND SUGGESTION

The first focus of this research is to find out whether or not there is significant effect of using Picture Strip Story toward speaking ability of the second grade students at MA AL-Ihsan Buluh Rampai. So, here the writer would like to conclude the result about what has been discussed in the previous chapters and to recommend some suggestion concerning with the use of Picture Strip Story toward speaking ability of the second grade students at MA Al-Ihsan Buluh Rampai.

A. Conclusion

Referring to the data analysis and data presentation in the chapter IV, finally the researcher concludes that the answer of the formulation of problem are as follows:

1. Mean score students' speaking ability taught without using Picture Strip Story technique is 47.80. It was categorized Less. And the total of the students 20. But, only 9 students were increased.
2. Mean score students' speaking ability taught by using Picture Strip Story technique is 62,30. It was Categorized enough. But, all of the students were gotten improvement score in their post-test.

3. From the analysis of independent sample T-test. It can be seen $t_o > t_{table}$
= 2.02 (at level 5%) and 2.72 (at level 1%) . It can be seen that
2,02 < 8.862 > 2.72. It can be concluded that H_o was rejected and H_a was
accepted. In other words, there is significant effect of using Picture
Strip Story technique toward speaking ability of the second grade
students at MA AL-Ihsan Buluh Rampai.

B. Suggestion

Based on the result of the study, the writer would like to propose some
suggestions. They are as follows:

1. Suggestion for Teachers

- a. Creating enjoyable teaching and learning in order to make students
feel interested and not bored in doing their speaking exercise or task
should be developed by English teacher. This technique can be one of
the alternative technique for teaching speaking class.
- b. Giving media will help the students in understanding English well in
order to make them interested in improving their speaking English
well.

2. Suggestion for Students

- a. The students should pay more attention to the lesson that has been
explained by the teacher.
- b. The students should be spirit in developing their speaking skill.
- c. The students should practice their english as well as they can to
improve their speaking ability.
