3. There is no significant effect of using hero quest strategy on the students' the ability in writing descriptive paragraph by the second year of SMPN 1 Bangkinang Barat.

Based on the result of the research concluded, the use of hero quest strategy have given a better effect for students' writing ability of descriptive paragraph.

#### B. The Suggestion

From the conclusion of the research above, it is known that using hero quest strategy can give significant effect toward students' ability in writing descriptive

paragraph. So, hero quest strategy can be one of the choices for English teacher in order to help students in writing skill.

Based on the research findings, the writer would like to give some suggestion for teacher and students.

1. In teaching and learning process, the teacher should use various strategies that are suitable with the teaching material itself. In teaching writing, especially in writing descriptive paragraph, the teacher should make the students involve in learning process. By using hero quest strategy, the students are easy to develop their ideas and develop their paragraph and make a good descriptive paragraph.
2. For the students, they must pay attention to the lesson explained by the teacher. The students must rehearse their writing ability not only in the class but also out of the class. The students should be creative to select the kinds of writing materials in order to comprehend more descriptive paragraph and in order to diminish boredom in learning English especially in writing. In the manner of using hero quest strategy, students will be easy when they want to develop their ideas in writing descriptive paragraph.
