

## CHAPTER V

### CONCLUSION AND SUGGESTION

#### A. Conclusion

Based on the explanation in chapter IV, the researcher can conclude that students' listening ability taught by using Paraphrase Passport strategy is higher than those who were taught without using Paraphrase Passport strategy. And then, there is significant effect of using Paraphrase Passport strategy toward listening ability of the second year students at Vocational High School 1 Dumai because  $0.000 < 0.05$ . This strategy gives effect toward students' listening ability of the second year at Vocational High School 1 Dumai, because it is also supported by some factors such as intelligence, course, motivation, and attitude.

In conclusion, teaching English by implementing Paraphrase Passport strategy of the second year students at Vocational High School 1 Dumai is successful in improving students' listening ability.

#### B. Suggestion

Considering the effect of using Paraphrase Passport strategy toward students' listening ability, the writer would like to give some suggestion as follows:

##### 1. Suggestion for the School:

- a. It is recommended to the school to do evaluation for students' difficulties based on the result of teaching and learning process.
- b. It is hoped for the school to establish an English club in order to expand the students' knowledge in English.

- a. It is hoped for the school to facilitate the students in joining English festival or English competition in order to strengthen the students' motivation in learning English.

## **2. Suggestion for the English teacher:**

- a. It is recommended to teacher to use Paraphrase Passport strategy in teaching and learning process as an alternative technique for teaching listening.
- b. It is hoped that the teacher teaches the listening ability from the easiest to the most difficult one.
- c. The teacher should build a favorable atmosphere at times of teaching learning process conducted, because the conducive condition in teaching would become one asset to reach the success of material to be taught.

## **3. Suggestion for Next Researcher**

- a. Next researcher can give contribution in conducting the research especially about listening ability.

This research is one of the ways in improving students' listening ability. It is expected that the findings will be used as starting points to conduct another research. There are many other techniques to make teaching and learning process more effective.
