

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

Based on the data analysis and research finding in chapter IV, finally the research about the effect of using Visualizing strategy on students' reading comprehension in Narrative text of the second grade at Senior high school 2 Tambang Kampar Regency comes to the conclusion as follows:

1. Students' reading comprehension in Narrative text taught by using Visualizing strategy is categorized as **good** level.
2. Students' reading comprehension in Narrative text taught without using Visualizing strategy is categorized as **enough** level.
3. There is significant effect of using Visualizing strategy in narrative text of the second Year students at Senior High School 2 Tambang Kampar Regency.

So, it can be concluded that Visualizing strategy has a positive effect on students' reading comprehension in Narrative text of the second grade at Senior High School 2 Tambang Kampar Regency.

B. Suggestion

Based on research finding, the writer would like to give some suggestion:

1. Suggestion for the School

- a. It is recommended to the school to do evaluation for students' difficulties based on the result of teaching and learning process.
- b. It is hoped for the school to establish an English club in order to expand the students' knowledge in English.
- c. It is hoped for the school to facilitate the students in joining English festival or English competition in order to strengthen the students' motivation in learning English.

2. Suggestion for the English teacher

- a. It is recommended to teacher to use Visualizing strategy in teaching and learning process as one of the alternative reading comprehension strategies.
- b. It is hoped that the teacher teaches the reading comprehension from the easiest to the most difficult one.
- c. The teacher should build a favorable atmosphere at times of teaching-learning process conducted, because the conducive condition in teaching would become one asset to carry the success of material to be taught.

3. Suggestion for the students

- a. The students should try to understand by using Visualizing strategy in reading text.
- b. The students should pay more attention to the lesson explained by the teacher.
- c. The students must be creative to select kinds of reading text in order to comprehend more the text and in order to diminish boredom in learning English especially in reading subject.

Finally, the writer considers that this research still needs validation from the next researcher who has the same topic as this research.
