

## CHAPTER V

### CONCLUSION AND SUGGESTION

#### A. Conclusion

This research describes the students' writing ability, especially in writing report paragraphs by using Round Table technique of the second grade at State Senior High School 1 Rumbio Jaya. Based on the data analysis explained at the chapter IV, finally, the research about the effect of using Round Table technique toward students' writing ability of report paragraphs of the second grade at State Senior High School 1 Rumbio Jaya comes to the conclusion as follows:

1. Mean of the students' ability in writing report paragraphs, taught by using Round Table technique of the second grade at State Senior High School 1 Rumbio Jaya is 79.02, it is concluded that the students' ability in writing report paragraphs is categorized into Good.
2. Mean of the students' ability in writing report paragraphs, taught without using Round Table technique of the second grade at State Senior High School 1 Rumbio Jaya is 63,04, it is concluded that the students' ability in writing report paragraphs is categorized into Enough.
3. From the research findings,  $t$  test = 7.450 with  $df = 48$  that is bigger than  $t_0 = 2.01$  (at level 5%) and  $t_0 = 2.68$  (at the level 1%). It can be read that  **$2.01 < 7.450 > 2.68$** . it means that  $H_a$  is accepted and  $H_0$  is rejected. It can be concluded that there is significant effect of students' ability in writing

report paragraphs between students who are taught by using Round Table technique and those who are not taught of the second grade at State Senior High School 1 Rumbio Jaya.

## **B. Suggestion**

Based on the conclusion of the research above, it is known that Round Table technique in teaching writing can affect the writing ability of students, so that Round Table technique is one of the choices by English teacher to improve students' ability in writing report paragraphs. English teacher should know how to teach writing by using Round Table technique. Besides that, teacher should use many ways to encourage the students' writing ability as in the following:

- a. Teacher trains students to write a text during teaching and learning process.
- b. Teachers can encourage students' awareness about the importance of writing for their life.
- c. Teachers should construct creative and enjoyable learning for students.
- d. Teacher should support their techniques by using interesting media.
- e. Teacher makes writing as habitual activities for students in the school. In addition, there is some suggestion for the students like:

1. The students should pay more attention to the lesson that has been explained by the teacher.
2. The writer hopes the students, especially for the second grade at State Senior High School 1 Rumbio Jaya always to keep improving their writing.
3. The students are suggested to do more practices of writing in report paragraph.
4. The students are suggested to master aspects of writing (content, organization, vocabulary, language use, and mechanic).
5. The students may not be afraid of making mistakes in English writing because it can be solved by doing exercise.
