

CHAPTER V

THE CONCLUSION AND SUGGESTION

A. Conclusion

Based on data analysis and research findings in chapter IV, finally the research about the effect of using Creative Mapping strategy toward students' reading comprehension in narrative text at senior high school 1 Tempuling, comes to the conclusion as follows:

1. The students' reading comprehension in narrative text taught by using Creative Mapping Strategy at senior high school 1 Tempuling was categorized into Very good level.
2. The students' reading comprehension in narrative text taught without using creative mapping Strategy at senior high school 1 Tempuling was categorized into Good level.
3. There is significant effect of using Creative Mapping of the first grade students at senior high school 1 Tempuling.

B. Suggestion

Considering the effect of using Creative Mapping Strategy on reading comprehension in narrative text, the researcher would like to give some suggestion as follows:

1) Suggestions for the teacher:

- a. It is recommended to teacher to use Creative Mapping Strategy in teaching reading, especially for narrative text.
- b. The teacher builds a favorable atmosphere in teaching-learning process, because the conductive condition in teaching would become one asset to carry the success of material which was taught. It can also make Creative Mapping strategy work better.

2) Suggestion for the students:

- a. The students should try to understand to use Creative Mapping Strategy in reading text and practice in the classroom.
- b. The students should pay more attention when the teacher explains how to use Creative Mapping strategy
- c. The students should try and practice the Creative Mapping strategy by themselves in their class or other places.

Finally, the researcher considers that this study still needs validation from the next researcher that has the same topic as this study.
