Dear authors,

The editorial board of *MANUSYA* has received your paper entitled "**The Fragmentation of Religious Authority in Provincial Towns in Indonesia: The Case of Pekanbaru and Pontianak**" back from the two specialists who read your paper. They both agreed that this paper is acceptable on the condition that the author revises it and makes major changes suggested by the editor and reviewers. The revision should be based strictly on the comments attached to this email.

After you have finished the revision, please reply to this email with **your revised paper and a correction summary page**, indicating what you have corrected or changed according to the reviewers' comments (See example in the attachments). You are strongly recommended to highlight the corrected parts in the paper with colours (yellow according to Reviewer 1 and turquoise for Reviewer 2).
