Dear authors,

We received your submission to ICICCos 2018 (2018 2nd International Conference on Informatics and Computational Sciences):

Authors : Riswan Efendi, Novi Yanti, Alex Wenda, Susnaningsih Mu'at, Noor Azah Samsudin, and Mustafa Mat Deris.
Title : Dominant Criteria and Its Factor Affecting Student Achievement Based on Rough-Regression Model

The submission was uploaded by Riswan Efendi <riswan.efendi@uin-suska.ac.id>. You can access it via the ICICCos 2018

 EasyChair Web page

Dear Riswan Efendi, Novi Yanti, Alex Wenda, Susnaningsih Mu'at, Noor Azah Samsudin, and Mustafa Mat Deris.

We are glad to inform that your paper:

Paper ID: 32
Paper Title: Dominant Criteria and Its Factor Affecting Student Achievement Based on Rough-Regression Model

has been accepted by the Program Committee of the 2018 2nd International Conference on Informatics and Computational Sciences to be orally presented (online) at the conference. Congratulations!

The reviewers' comments can be found below. Please revise the paper accordingly and submit the camera-ready paper to Easychair (with the other required documents) by 25th of September, 2018 to be considered for publication in IEEE. The registration guidelines will be sent to you shortly.

If you have any technical problem, please contact our Conference Secretariat: icicos2018@easychair.org and include your paper ID in the subjects of all emails you send to us.

Thank you very much for your contribution. We look forward to meeting you in ICICoS 2018 !

Best regards,
