

## CHAPTER V

### CONCLUSION AND SUGGESTION

#### A. Conclusion

Referring to the data analysis and data presentation in the chapter IV, finally the researcher concludes that the answer of the information of the problem are as follows:

1. Students' speaking ability of the eight grade at junior high school 17 Pekanbaru taught by using Experiential Language Teaching Strategy is higher than using other strategy. It was known by comparing the mean of gain of the students score in pre-test and post-test for both experimental and control classes.
2. The Experiential Language Teaching Strategy gives significant effect on students' speaking ability of the eight grade at junior high school 17 Pekanbaru.

#### B. Suggestion

Recalling the result of this study, the researcher would like to propose some suggestion as follows:

##### 1. Suggestion for teacher

- a. Creating enjoyable teaching and learning in order to make students feel interested and not bored in doing their speaking exercise or tasks should be developed by English teacher, for example, by using Experiential Language Teaching Strategy.

- b. Giving media will help the students in understanding English well in order to make them interested in improving their speaking English well.

**2. Suggestion for students**

- a. The students should study hard in studying by giving attention to the teachers' explanation.
- b. The students should be spirited in developing their speaking skill.

**3. Suggestion for the other researcher**

- a. Finding new appropriate strategy, technique or media is one of the good ways in doing research for helping students in mastering English.
