Dear author

You have amendments from a reviewer. Could you please amend **on attached file “Article 091220_revised_for revision”** and send back your revised article and the list of explanations of the revisions done **via e-mail** (iji@ogu.edu.tr) as an attached file as soon as possible?

So far, a lot of articles have been published in the International Journal of Instruction on a wide range of subjects. To promote our international and scientific community, we kindly ask our writers to make references to other articles published in our journal. By doing this, you will help us to improve the IJI and as other writers will possibly reference your article, your article gets citations. Thus, as a final touch, we kindly ask you to make references to two or more articles from the IJI.

Sincerely yours,
International Journal of Instruction

REPORT

Section of the Manuscript	Comments and Notes
Title- Abstract-Summary	Include the number of students from each of the two schools. Please observe the proper use of punctuation marks. Make your sentences brief and easy to understand. Please limit the abbreviations in the abstract section. Abstract section must catch the interest of the readers by emphasizing the major contributions of your study that are worthy mentioning.
Introduction and Literature Review	Normally, the point of our sentences is what the author did. Although, in rare occasions, we state the name of the authors in the sentences, it would be better if you write it this way.... (blah blah blah... (name, 1990). Please do not just enumerate what the authors did in their study, it is important that you synthesize or compare their work.

Research Methods	The reliability and the validity of the instrument used must be included in this section.
Research Findings	Observe correct grammar and proper use of punctuation marks.
Discussion	Observe correct grammar and proper use of punctuation marks.
Conclusion and Suggestions	Observe correct grammar and proper use of punctuation marks.
References and Citation	Revise in-text citations based on APA style. There are some in-text citations that are not properly written. Please find time to include DOI in your references.
Language	Please make your sentences and paragraphs more comprehensible.
Other issues	Please follow the APA format and style in writing the manuscript
