Dear Editorial of Communications in Science and Technology,

Thank you for considering our manuscript to manuscript Provisionally Accepted in Communications in Science and Technology.

We greatly appreciate the editor's consideration of this manuscript for publication and valuable review comments. We have made every attempt to respond to all comments and questions raised by the reviewer and have adjusted the manuscript accordingly.

We have been citing some appropriate references in CST for our manuscript, especially we added in reference [25]. Furthermore, we have been improving the English of our manuscript by Professional English Editing and the certificate were added in the attachment file. In addition, all the revisions we have worked on previously have also been fixed with Professional English Editing.

We confirm that this manuscript was revised in accordance with the reviewers' comments of Communications in Science and Technology. We are hopeful this manuscript can be accepted and published at the Communications in Science and Technology.

Best regards,

Erman Taer
